  - 8-week experience in summer between MS1 & M2 years
  - M3 Year includes 5 8-week clerkships + capstone course
  - No MS4 year
- Linked to Family Medicine residency programs in Lubbock, Amarillo and the Permian Basin

- 104 students began FMAT training in 9 classes (c2013-2022)
- 59 FMAT graduates, 20 now in FM residency & 39 FM residency graduates (c2013-2020); 81% completion rate
- 29 students in MS2/MS3 training during 2020-2021
- 38 residency graduates, all in primary care and most in Texas (c2013-2017); 70% rural/HPSAs

### Challenges

- Campus Distribution
- Students' personal issues (pregnancy, illness)
- Optimal class size
- Support for hidden costs (faculty time)
